

## **Design Evanston** **Chicago/Main Project Review**

### **Join fellow Design Evanston members for our first event in the new year!**

GREC Architects (GRECstudio.com) will present their current design for the project by developer O'Donnell Investments at Chicago & Main.

Because Design Evanston's goal has always been to encourage the best design for our city, our organization's feedback has often been instrumental in seeing well-designed projects approved in Evanston. GREC will be presenting to the Plan Commission on Wednesday, January 8—so our feedback will be valuable and timely.

**7pm Monday, January 27, 2014**

**Firehouse Grill (Engine Room) 750 Chicago Avenue, Evanston**
