

Design Evanston

Cuba Soirée

7pm, Wednesday, July 27, 2016

We're starting a new "tradition" for Design Evanston members...

theme-based evenings at member homes to celebrate our many personal and professional interests. To keep these events intimate they are limited to ten people plus the presenters. We invite you to suggest ideas for future soirées at member homes. We plan to hold them several times during the year.

The first soirée will feature visual presentations on Cuban themes by Noreen Edwards Metz, Anne McGuire/Sergio de los Reyes and Jack Weiss. Cuban-inspired appetizers, wine and soft drinks will be served.

**Meet at the home of Anne McGuire and Sergio de los Reyes,
2206 Forestview, Evanston.**

This event is limited to ten attendees. DE members and the general public are welcome.

**Please register by July 20 at event@designevanston.org
\$10 per person.**
