Design Adventures Soirée

7pm, Thursday April 27, 2017

Join other Design Evanston members...for our second theme-based evening at a member home for conversation inspired by our many personal and professional interests. This soirée will feature three short presentations:

- Building the Khumbu Climbing Center in Nepal, by Heidrun Hoppe
- 80 years of Chicago graphic design, by Jack Weiss
- Inspired architectural photography, by Lauren Whitney

Appetizers, wine and soft drinks will be served

Meet at the home of Greg Williams, 1330 Washington, Evanston

This event is limited to ten DE members and their guests.

Please register by April 21 at event@designevanston.org

\$10 per person at the door
