

Design Evanston Rooftop Garden Tour

10:00am Saturday, June 21, 2014

Join Design Evanston members and friends for a unique garden experience in the city. We'll visit the McCormick Place rooftop garden on the West Building complex.

<http://bit.ly/1hXlu7y>

Launched in June 2013, the McCormick Place rooftop garden is the Midwest's largest. At 20,000 square feet (half an acre), in 2013 it was expected to yield 4,000 pounds of produce. The vegetables go directly downstairs to Savor, McCormick Place's catering company. It's an experiment in sustainability, with no carbon emissions from shipping or delivering. The garden also helps cool the building below.

Exit Lake Shore Drive at Roosevelt, turn South on Indiana, East on Cermak, then South on South Prairie (one block East). Parking Lot A is on the left. Park on the 3rd Level. Exit to the Central Concourse in the West Building and meet at Starbucks.

Gather afterward for an optional on-your-own lunch at Savor's West Hall Food Court located on Level 2 of the West Building.

The tour is \$5 for DE members, \$10 for non-members.
