

Design Evanston **Evanston Green Event**

SOLARH₂O

COMMUNITY PROGRAM

Learn more about LEED Certification & Solar Hot Water

AMLI Evanston Green Initiatives

Take a tour of Evanston's newest LEED certified luxury apartments. Meet in the fantastic residents lounge for refreshments.

Renewable Energy for Evanston Homeowners and Small Businesses

Learn about Evanston's Solar Hot Water Community Program (SHOP). SHOP will save you money, reduce utility bills, and preserve the future by reducing green house gas emissions.

The presentation will include actual solar panels and equipment from SHOP. Learn how to enroll, receive SHOP savings, rebates and tax incentives.

6:30pm, Thursday, July 18, 2013
AmlI Evanston, 737 Chicago Avenue

RSVP by July 16th info@ussolarnetwork.com
