Join Design Evanston members on a tour of Northwestern's new **Kellogg School of Management Global Hub Building** designed by KPMB Architects. The tour will be led by Leann Paul of Accord Consulting, Inc. Ms. Paul has acted as NU's Owner's Representative for the project since 2010. The group will gather inside at the main entrance reception area. We'll walk the exterior first, then go through the interior spaces. Q&A will follow.
