

# Design Evanston 2018 Annual Meeting

7:00pm, Thursday, January 25, 2018

**Join Design Evanston members and friends** and be among the first to tour the new Halim Time & Glass Museum at 1560 Oak Avenue in Evanston. The Museum received 2017 Design Evanston Awards in both New Construction and Interiors categories.

Our hosts, Cameel Halim and his daughter Nefrette, will lead tours of more than 1,000 historic time pieces and 80 stained glass windows. Project architect, Adam Wilmot, formerly with Wallin Gomez Architects, will be present to discuss the museum's design.

During the brief Annual Meeting, Design Evanston professional members will vote to approve the next board of directors. If you're interested in serving on the board, please submit your name!
