10:00am Saturday, June 27, 2015

Join Design Evanston members and friends for a unique two-garden experience in the city at the Aqua rooftop garden and Maggie Daley Park. **Craig Soncrant** of Wolff Landscape Architecture will lead a tour of their impressive 80,000 sf Aqua rooftop garden. We suggest you park at the north end of the Millennium Park garage and walk north to 221 N. Columbus Drive. Our group will gather at the hotel entrance. After the Aqua tour we'll walk back south to Maggie Daley Park

Gather afterward for an optional on-your-own lunch at Cosi, 116 South Michigan.
