## Van Bergen Open House

6:30-8:30pm Thursday, June 2, 2016

LANDMARKS  
ILLINOIS

**In October 2014...and again in March 2015** this unique 1928 Van Bergen house found its way to Evanston from Wilmette. Purchased for \$10 by architect Chris Enck, and with support of Landmarks Illinois, the house was cut into three parts, moved from its original site on Isabella in the fall of 2014, stored over the winter in a parking lot, then moved again to its current site on Crawford in the spring 2015.

Design Evanston and Landmarks Illinois will host a wine and cheese reception. At 7pm Chris will answer questions about the reconstructed home. Lisa DiChiera, Director of Advocacy for Landmarks Illinois, will discuss the long advocacy effort to save the house. Jack Weiss, president of Design Evanston, will present his PowerPoint of the move.

**Meet at 2771 Crawford, Evanston. This event is \$10 for DE and LI members ONLY and limited to the first 60 to register. LI members please provide your member ID number. Please register by May 26 at [event@designevanston.org](mailto:event@designevanston.org)**
