PROCESS

There is no limit to the number of nominations within any category. Any member or citizen may make nominations.

A Jury composed of Design Evanston Members and outside design professionals will review all nominations and select the winners.

Winners will be notified of their award. Award certificates will be presented at a special Design Evanston event. The date, time and location are to be announced. Award winners will be invited and encouraged to attend along with their Architects, Designers, Developers, Contractors, etc., as applies. Winning projects may also be featured in the local press.

Projects nominated should have been initiated within the last two to three years and have been completed by the time of the nomination (except 25 Year category nominations).
